WCWRC Project No. 6475

Dear Mr. Hirsch:

This office has reviewed the site plans for the above-referenced project, to be located in the city of Ann Arbor. These plans have a job number of 20034, a date of May 6, 2021, and were received via e-mail on May 6, 2021. These plans replace the previous plans dated September 11, 2020. As a result of our review, we would like to offer the following comments:

1. The design plans are technically correct and do not require revisions at this time. **An approval letter will be issued upon payment of the attached invoices.**
2. Please see the attached invoice for the current fees and remit these fees upon receipt. We have also attached invoice 6077 dated September 28, 2020, which has not yet been paid.

If you have any questions, please contact our office.

Sincerely,

Theresa M. Marsik, P.E.
