F HEARINGS

F-1 [19-0029](#) HDC18-277; 618 S. Ashley Street - Attic Dormer, Install Rear Deck-OVSHD

Historic District Coordinator and City Planner Jill Thacher presented the staff report. [See attached in agenda packet]

REVIEW COMMITTEE REPORT AND RECOMMENDATIONS:

Commissioners Epperson and Beeson visited the site as part of their review. They reported their findings and recommendations to the

Commission.

PUBLIC HEARING:

Andrew Stumpff, 618 South Ashley, Ann Arbor, co-owner, was present to respond to enquiries of the Commission.

Noting no further speakers, the Chair declared the public hearing closed.

Moved by Dave Rochlen, seconded by Bob White, that the Commission issue a certificate of appropriateness for the application at 618 S Ashley Street, a contributing property in the Old West Side Historic District, to construct a gable dormer on the south roof of the house, install two skylights on the north roof; construct a second-floor deck off the back of the house; replace the rear elevation attic window with a larger one from the second floor; and install a full-lite wood door in place of the second floor window, leading to the new deck. The work as proposed is compatible in exterior design, arrangement, texture, material and relationship to the rest of the building and the surrounding area and meets the Ann Arbor Historic District Design Guidelines, in particular the guidelines for roofs and windows, and the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, in particular standards 9 and 10 and the guidelines for roofs, windows, porches, and neighborhood.

COMMISSION DISCUSSION:

The Commission took into consideration the presented application and discussed the matter. [For a complete record of the discussion, please see available video format]

REVIEW COMMITTEE REPORT AND RECOMMENDATIONS:

Commissioners Epperson and Beeson visited the site as part of their review. They reported their findings and recommendations to the Commission.

PUBLIC HEARING:

Grace and Jon Vandervliet, 503 West Jefferson, Ann Arbor, owner and applicants were present to respond to the enquiries of the Commission.

Noting no further speakers, the Chair declared the public hearing closed.

Moved by Jessica Quijano, seconded by Bob White, that the Commission issue a certificate of appropriateness for the application at 503 W. Jefferson, a contributing property in the Old West Side Historic District, to construct a maximum 295 square feet of new floor area on the first and second floors, replace a portion of the basement foundation, construct a basement egress window, new patio, and person door on the garage, and other related work, on the following condition: that the character defining feature of the top most south gable at the south elevation is left intact. The work as conditioned is compatible in exterior design, arrangement, materials, and relationship to the house and the surrounding area and meets the City of Ann Arbor Historic District Design Guidelines for All Additions, and The Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, in particular standards 2, 9 and 10 and the guidelines for New Additions, and District or Neighborhood Setting.
