Dear HDC members,

We have been neighbors with Sean and Shanna Hoskins since they purchased their home in 2013. We have had numerous backyard conversations about our houses and yards, as well as about the great community we have on our particular block in the Old West Side. Our kids play well together and travel from house to house, which is the type of neighbor relations we dream of. Sean and Shanna are responsible, friendly, and excited about growing roots in the neighborhood.

I write to you in full support of their plans for an addition. We are thankful for getting HDC support for our recent project, and we know that this is a tasteful plan that will maintain historical integrity of their home. They wish to figure out a way to make it work best for them for years to come.

Sincerely,

Handwritten signatures of Erika Hauff and Josh Miner.
