In addition to the foregoing, the City may, at any time, close or suspend access to any or all of the Premises to perform any acts in, on or over, the Premises as, in the City's reasonable judgment, are desirable to improve or maintain the Premises, or are required in order to satisfy the City's obligations under this Agreement; provided, however, the City shall use reasonable efforts to limit any disruption of the Organization's use and operation of the Premises in connection therewith. The Organization shall provide necessary cooperation and support to the City in its efforts to obtain grants and other funding for site and facility improvements during the term of this Agreement. The City shall consider the Premises for capital improvement grants in collaboration with the Organization, consistent with the provisions of this Article. Cooperation and support shall include, at a minimum, providing letters of support for the respective party's grant applications and in the case of City support of the Organization's grant application or funding opportunity, providing documentation as needed and when applicable evidencing City financial and in-kind support that may serve as matching funds required for grant applications.

The Organization agrees to make available scholarship awards consistent with City Parks and Recreation Services Scholarship Program (attached as Exhibit E hereto) regarding income-eligible City of Ann Arbor residents. The City will provide information to the Organization on income-eligible City of Ann Arbor residents. The Organization will cover the program costs. The City agrees to perform the necessary verification of applicant eligibility for the Program.
- C. The Organization further agrees to assist the City with the Scholarship application process including the following: distribution of scholarship applications, assistance to patrons of the Premises with completing applications, and submittal of completed applications to the City for eligibility verification and processing.
- D. The City shall permit and encourage the Organization to advertise its programs in any and all formats in which the City advertises programs offered by its Parks and Recreation Services, including by way of illustration and not limitation, in City seasonal brochures. The City shall charge the Organization for such advertising at the same rate the City charges City operations. It shall be the City's responsibility to inform the Organization of the publication schedule and copy deadlines and the Organization's responsibility to provide complete copy in the format required by the City for publication on a timely basis to meet the publication schedule. Any advertisement will include a statement that the Organization is an independent contractor.

XI. REPAIRS AND MAINTENANCE

The Organization shall, at its sole cost and expense maintain and preserve the Premises, in the same condition as exists on the effective date of this Agreement (subject to normal and customary wear and tear) and perform any and all repairs and replacements required in order to so maintain and preserve the Premises and the fixtures and appurtenances therein (excluding those specific components of the Premises for which the City is expressly responsible under this Agreement, including but not limited to Exhibit D, Maintenance/Repair/Renewal/Replacement Schedule). The Organization shall also be responsible for all costs and expenses incurred to perform any and all repairs and replacements (whether structural or non-structural; interior or exterior; and ordinary or extraordinary), in and to the Premises, if and to the extent that the need for such repairs or replacements arises directly or indirectly from any act, omission, misuse or neglect of the Organization and/or its officers, employees, agents, contractors, guests, and/or invitees. All repairs or replacements required under this Article XI(A) shall be subject to the supervision and control of the City, and all repairs and replacements shall be made with materials of equal or better quality than the items being repaired or replaced.
- B. Notwithstanding the above, from time to time during the term of the Agreement, City may elect, in its sole discretion and by delivery of written notice to the Organization, to perform on behalf of the Organization, all or some portion of the repairs, maintenance, restoration and replacement (collectively referred to as "General Repair Services") in and to the Premises required to be performed by the Organization under this Agreement. The Organization shall reimburse the City for the cost or value of all General Repair Services provided by the City. If the Organization fails to reimburse the City, the City may set-off such repair cost from compensation owed to Organization under this Agreement. Unless and until the City affirmatively elects to provide General Repair Services, nothing contained herein shall be construed to obligate the City to perform any General Repair Services or any repair of any nature except as otherwise expressly provided in Exhibit D, Maintenance/Repair/Renewal/Replacement Schedule, to repair, maintain, restore or replace any portion of the Premises.
- C. To the extent not otherwise addressed herein, the City shall, to the extent permitted by budget appropriations, repair, replace, and restore the following:
1. **Structures on the Premises.** The "structure" to be maintained or repaired by the City includes, by way of example, roofs, siding, gutters and downspouts, foundations, exterior walls (inclusive of painting or other maintenance work), decking, piers, doors, windows, interior floors and walls, electrical systems, plumbing, HVAC systems, etc. Structural changes that are required by applicable law, shall be the responsibility of the City to the extent that no other modification can be made by the Organization that would avoid such requirement.
 2. **Property.** For these purposes the "property" to be maintained shall include all outdoor paved areas, including walks, driveways and parking areas, and the provision of snow removal and salt or salt-substitute application to all drives and parking areas in the same manner and on the same schedule as performed for other City facilities. The City shall maintain all gates and fences in good working order. Property changes that are required by applicable law, shall be the responsibility of the City to the extent that no other modification can be made by the Organization that would avoid such requirement.

3. **Lawn care and snow removal.** The City shall provide lawn mowing, and general lawn care at such intervals as are necessary to keep the Premise's lawn in trim and well-kept condition. There shall be no cost charged to the Organization for such service. The Organization may elect to provide at its own cost, supplemental landscaping, lawn mowing and lawn care. Any supplemental landscaping/lawn care shall be in accordance with City ordinances and Parks Operations Service Unit guidelines. Similarly, the City shall provide snow removal at such intervals as are necessary to keep the exterior public areas (parking lots, walkways and building access areas) accessible, including salting steps and walkways. There shall be no cost charged to the Organization for such service. The Organization may elect to provide supplemental snow removal at its own cost. Any snow removal shall be in accordance with Parks Operations Service Unit guidelines.

The City shall promptly remedy any hazard posed by trees or other vegetation to the roads, buildings or trails on the Premises. The Organization shall notify the City in writing of such hazards that are obvious to persons who are not expert in tree and vegetation management, as the Organization becomes aware of such hazards. There shall be no cost charged to the Organization for any service or materials described in this paragraph.

4. **Exterior Lighting.** The City shall maintain and repair, and replace as needed, in accordance with City guidelines and schedules, the exterior lighting of the Premises, which lighting includes, by way of illustration and not limitation, lighting in the parking areas and along walkways. Such maintenance and repair shall include necessary painting, electrical repairs, and upgrades and changing the light bulbs in the parking area and walkway lighting, as needed.

XII. UTILITIES

- A. The City shall provide the plumbing, electricity, and heating installations required by applicable law and necessary for occupancy. Any other utility installations shall be the responsibility of the Organization, inclusive of installation, maintenance and removal, if appropriate or necessary. - B. The City shall pay the electrical bills for exterior lighting in the parking areas and along walkways as part of its obligations to provide public access to the park in accordance with Chapter 39 of the Ann Arbor City Code together with the utility systems identified in Section B of Article IX. The Organization shall pay any utility charge, including periodic billing, for any other utility installation for which it is responsible.

XIII. INSURANCE/INDEMNIFICATION

- A. The Organization shall procure and maintain from the Effective Date or Commencement Date of this Agreement (whichever is earlier) through the conclusion of this Agreement, such insurance policies, including those set forth in Exhibit F, as will protect itself and the City from all claims for bodily injuries, death, or property damage which may arise under this contract; whether the act(s) or omission(s) giving rise to the claim were made by the Organization, any subcontractor, or anyone employed by them directly or indirectly. Prior to commencement of work under this Agreement, Organization shall provide to the City documentation satisfactory to the City, through City-approved means (currently myCOI), demonstrating it has obtained the policies and endorsements required by Exhibit F. Organization shall add registration@mycoitracking.com to its safe sender's list so that it will receive necessary communication from myCOI. When requested, Organization shall provide the same documentation for its subcontractor(s) (if any).

Best & Company's Key Rating Guide of "A-" Overall and a minimum Financial Size Category of "V". Insurance policies and certificates issued by non-admitted insurance companies are not acceptable unless approved in writing by the City.

- B. To the fullest extent permitted by law, Organization shall indemnify, defend and hold the City, its officers, employees and agents harmless from all suits, claims, judgments and expenses, including attorney's fees, resulting or alleged to result, from any acts or omissions by Organization or its employees and agents occurring in the performance of or breach in this Agreement, except to the extent that any suit, claim, judgment or expense are finally judicially determined to have resulted from the City's negligence or willful misconduct or its failure to comply with any of its material obligations set forth in this Agreement.

XIV. WAGE REQUIREMENTS

Under this Contract, the Organization shall conform to Chapter 14 of Title I of the Code of the City of Ann Arbor as amended; which in part states "...that all craftsmen, mechanics and laborers employed directly on the site in connection with said improvements, including said employees of subcontractors, shall receive the prevailing wage for the corresponding classes of craftsmen, mechanics and laborers, as determined by statistics for the Ann Arbor area compiled by the United States Department of Labor. At the request of the City, any contractor or subcontractor shall provide satisfactory proof of compliance with the contract provisions required by the Section."

Where the Contract and the Ann Arbor City Ordinance are silent as to definitions of terms required in determining contract compliance with regard to prevailing wages, the definitions provided in the Davis-Bacon Act as amended (40 U.S.C. 278-a to 276-a-7) for the terms shall be used.

If the Organization is a "covered employer" as defined in Chapter 23 of the Ann Arbor City Code, the Organization agrees to comply with the living wage provisions of Chapter 23 of the Ann Arbor City Code. The Organization agrees to pay those employees providing Services to the City under this Agreement a "living wage," as defined in Section 1:815 of the Ann Arbor City Code, as adjusted in accordance with Section 1:815(3); to post a notice approved by the City of the applicability of Chapter 23 in every location in which regular or contract employees providing services under this Agreement are working; to maintain records of compliance; if requested by

the City, to provide documentation to verify compliance; to take no action that would reduce the compensation, wages, fringe benefits, or leave available to any employee or person contracted for employment in order to pay the living wage required by Section 1:815; and otherwise to comply with the requirements of Chapter 23.

Organization agrees that all subcontracts entered into by the Organization shall contain similar wage provision covering subcontractor's employees who perform work on this contract.

XV. NON-DISCRIMINATION

The Organization agrees to comply, and to require its subcontractor(s) to comply, with the nondiscrimination provisions of MCL 37.2209. The Organization further agrees to comply with the provisions of Section 9:158 of Chapter 112 of Title IX of the Ann Arbor City Code, and to assure that applicants are employed and that employees are treated during employment in a manner which provides equal employment opportunity.

XVI. REPRESENTATIONS AND WARRANTIES BY THE ORGANIZATION

- A. The Organization warrants that the quality of its Services under this Agreement shall conform to the level of quality performed by persons regularly rendering this type of service.
- B. The Organization warrants that it and applicable employees, subcontractors, and agents, have all the skills, experience, and licenses (if applicable) necessary to perform the Services it is to provide pursuant to this Agreement.
- C. The Organization warrants that it has available, or will engage, at its own expense, sufficient trained employees to provide the Services it is to provide pursuant to this Agreement.
- D. The Organization certifies that it has no personal or financial interest in the Services other than the interest disclosed under this Agreement. The Organization further certifies that it shall not acquire any such interest, direct or indirect, which would conflict in any manner with the performance of the Services it is to provide pursuant to this Agreement. Further Organization agrees and certifies that it does not and will not employ or engage any person with a personal or financial interest in this Agreement.
- E. The Organization certifies that it is not, and shall not become overdue or in default to the City for any contract, debt, or any other obligation to the City including real and personal property taxes. Further Organization agrees that the City shall have the right to set off any such debt against compensation awarded for Services under this Agreement.

Notwithstanding any consent by the City to any assignment, Organization shall at all times remain bound to all warranties, certifications, indemnifications, promises and performances, however described, as are required of it under the Agreement unless specifically released from the requirement, in writing, by the City.
- B. The Organization shall retain the right to pledge payment(s) due and payable under this Agreement to third parties.

IXX. TERMINATION OF AGREEMENT

- A. If either party is in breach of this Agreement for a period of fifteen (15) days following receipt of notice from the non-breaching party with respect to a breach, the non-breaching party may pursue any remedies available to it against the breaching party under applicable law, including but not limited to, the right to terminate this Agreement without further notice. The waiver of any breach by any party to this Agreement shall not waive any subsequent breach by any party.
- B. The City may terminate this Agreement, on at least sixty (60) days advance notice, for any reason, including convenience, without incurring any penalty, expense or liability to Organization, except the obligation to pay for Services actually performed under the Agreement before the termination date.
- C. Organization acknowledges that, if this Agreement extends for several fiscal years, continuation of this Agreement is subject to appropriation of funds for this Project. If funds to enable the City to effect continued payment under this Agreement are not appropriated or otherwise made available, the City shall have the right to terminate this Agreement without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to Organization. The Contract Administrator shall give Organization written notice of such non-appropriation within thirty (30) days after it receives notice of such non-appropriation.
- D. The provisions of Articles XIII and XVI shall survive the expiration or earlier termination of this Agreement for any reason. The expiration or termination of this Agreement, for any reason, shall not release either party from any obligation or liability to the other party, including any payment obligation that has already

accrued and Organization's obligation to deliver all Deliverables due as of the date of termination of the Agreement.

XX. REMEDIES

- A. This Agreement does not, and is not intended to, impair, divest, delegate or contravene any constitutional, statutory and/or other legal right, privilege, power, obligation, duty or immunity of the Parties.
- B. All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any agreement between the parties or otherwise.
- C. Absent a written waiver, no act, failure, or delay by a Party to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights with regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either Party shall subsequently effect its right to require strict performance of this Agreement.
