**Subject:** Restrictive Zoning Proposal

Dear City Planning Staff and Council Members - please reject imposing a new residential category that will restrict the current Residential zone to 3-units and ban small apartments from most of the city. As you know, Ann Arbor has a housing crisis that can only be addressed by more housing of various types and adding further restrictions will make the goals of The Plan impossible to achieve.

Be a YIMBY not a NIMBY and make Ann Arbor a blue city that shows the way for the Nation!

Sincerely,  
Norton Fogel
