Subject: Condo project as saline Ed into Lansdowne

Hello,

I am writing to you to express my concerns about the current road connection of a condo complex off of Ann Arbor Saline Road into Lansdowne. I am asking you to reconsider the proposed 2nd exit for the complex into Lansdowne as I understand it is not a needed access. Please keep our neighborhood closed off from the Ann Arbor Saline main road. We already have u of m traffic on game days that can be very difficult. The addition to this access will create more traffic due to the park and schools because it could be used as a cut-through. This neighborhood is filled with kids riding their bikes and walking to school. Please help us to keep our neighborhood safe for our children and close off the proposed access.

Thank you,

Katie Porter
