**Subject:** 221 Felch Rezoning Application Planning Meeting - Tuesday April 5, 2016, 7PM

Please find attached a petition from the home owners adjacent to the subject property on N. Ashley St. and Kingsley St in support of the rezoning application from the developer. We all feel strongly that this project will have a significant benefit to the neighborhood by removing the existing blighted structures, remediating the hazardous materials and improving the stormwater retention in the floodway in addition to enhancing property values and increasing the local tax base. We respectfully request that the planning committee approve the requested rezoning petition.

Regards,

David Crouse  
509 N Ashley St  
734 358-3526

# Petition for 221 Felch St Rezoning Approval (Beal Property)
