

AAPAC Project Tracker – JANUARY 2012

| Project # | Project Name | Priority | Submitter | Site Location | Project Timeline | AAPAC Funding | Non-AAPAC Funding | Artist(s) | Media | Current Status | Task Force Members |
|---|----------------------------|----------|---|-----------------------------------|--|--|-------------------|---|-----------------------------------|---|----------------------|
| 0908 | Justice Center Lobby | Active | City of Ann Arbor | Municipal Center, Justice Center | Artist Proposals Due: December 8 | \$255,000 set aside from 08-09 Muni Center | N/A | Ed Carpenter, Selection Panel recommendation | Permanent, interior and suspended | Art proposal submitted to AAPAC for approval | Margaret Parker/Sims |
| Project Description: Public art work for the lobby of the Justice Center building. The work will be a suspended piece at the southwest corner of the first floor. That side of the lobby contains benches and a balcony on the second floor overlooks that portion of the lobby. | | | | | | Monthly Update: <i>Selection Panel picked recommendation at December meeting. AAPAC approval at January meeting.</i> | | | | | |
| 1001 | Fuller Road Station | Active | City of Ann Arbor | Fuller Road | On hold until there is an agreement reached on the Fuller Road Station project | TBD | Yes | | TBD | Delayed | Gendron/Brown |
| Project Description: Public art sited at the new transportation facility planned for Fuller Park. The public artwork will be located in the north plaza of the park, near the bicycle storage and pedestrian access. The Task Force has identified three areas where public art can be located, within that area: in the plaza adjacent to the bike lanes and sidewalks, above the entrance to the bicycle storage, and upon the windows of the facility | | | | | | Monthly Update: <i>Project delayed. Fuller Road Station is not expected to have an agreement in the next six months. Task Force finalized the SOQ with legal and will release it after an agreement for the project has been reached.</i> | | | | | |
| 1002 | Mural Pilot Program | Active | AAPAC | Neighborhoods/TBD | Prototype launched FY 2010-2011 with proposed annual renewals | Funding per project | N/A | TBD | Mural | First mural to be approved | TBD |
| Project Description: In March AAPAC approved sites and their recommended budgets of \$10K each. In August, the mural project was changed to a single site, at Allmendinger Park. Plans will be forthcoming | | | | | | Monthly Update: <i>See Project 1103.</i> | | | | | |
| 1103 | Allmendinger Mural Program | Active | AAPAC | Allmendinger Park Shelter Columns | Proposals: January 31 Implementation: Spring/Summer 2012 | \$2800 (AAPAC), plus \$2200 contingency, & \$7200 (donation) | N/A | Mary Thiefels, Selection Panel recommendation | TBD | Art proposal submitted to AAPAC for approval | Wiltrud Simbuerger |
| Project Description: Mural upon the park's shelter and the shelter's support columns. First mural in the program. | | | | | | Monthly Update: <i>Four preliminary concepts from artists were considered in December. Selection Panel selected a proposal for recommendation. AAPAC approval at January meeting.</i> | | | | | |
| 1104 | Sun Dragon | Active | AAPAC via Connie Brown | Fuller Pool | Investigation/feasibility study by May 21, 2011 | \$2,000.00 NTE for feasibility. Cost TBD for replacement | N/A | Margaret Parker | Plexiglas | Waiting to meet with engineer. City project manager | Connie Brown |
| Project Description: Feasibility study to determine cost of re-fabrication and re-installation of Sun Dragon | | | | | | Monthly Update: <i>Awaiting compilation of answers to questions via the project manager for pricing.</i> | | | | | |
| 1105 | Stadium Bridges | Active | AAPAC and City of Ann Arbor | Stadium Blvd. | TBD | TBD | N/A | TBD | TBD | Project approved by AAPAC in September; Task Force planning the project | Wiltrud Simbuerger |
| Project Description: To provide public artwork along the bridge overpass on Stadium Blvd. | | | | | | Monthly Update: <i>Task Force developing RFP and will be meeting on the 30th.</i> | | | | | |
| 1107 | Rain garden | Active | City of Ann Arbor and Conservation Design Forum | Kinglsey and First St | TBD | \$20,000 to \$27,000 | N/A | TBD | TBD | Project approved in November | Connie Brown |

AAPAC Project Tracker – JANUARY 2012

| Project # | Project Name | Priority | Submitter | Site Location | Project Timeline | AAPAC Funding | Non-AAPAC Funding | Artist(s) | Media | Current Status | Task Force Members |
|--|---|------------|-----------|-------------------------------------|------------------|--|-------------------|-----------|-------|---|-----------------------------------|
| Project Description: A new public space will be created this fall and a rain garden will be installed in the space. The public space will contain a walkway and a bench. Public art will be a primary feature of the space. Close proximity to possible greenway. | | | | | | Monthly Update: <i>City rain garden project under development.</i> | | | | | |
| 1106 | River Walk, Gallup Canoe Livery, & Argo Mill Race | Unapproved | AAPAC | Gallup Park and Argo Park walk-ways | TBD | TBD | N/A | TBD | TBD | Task Force will develop scope of project for AAPAC approval | Margaret Parker/Malverne Winborne |
| Project Description: To provide public artwork along the Gallup Park and Argo Park river (Huron) walk-ways. City sites include the improvements at Argo Mill Race and the canoe by-pass and the canoe livery at Gallup. | | | | | | Monthly Update: <i>Presented projects to Parks Advisory Committee in October. Project development meetings are planned.</i> | | | | | |
