

MEMORANDUM

TO: Park Advisory Commission

FROM: Colin Smith, Parks & Recreation Services Manager

DATE: May 15, 2018

SUBJECT: Resolution to Recommend the Parks Operating Budget Cover FY2018 Operating Expenses at the Ann Arbor Skatepark.

Attached for your review and action is a resolution to recommend the City Parks Operating Budget cover FY2018 operating expenses at the Ann Arbor Skatepark. The agreement between the Friends of the Ann Arbor Skatepark (Friends) and the City of Ann Arbor (City) for the Management and Operation of the Ann Arbor Skatepark includes a section that deals with the annual operational maintenance expenses. It is the responsibility of the Friends to pay all costs for the operation and maintenance of the Skatepark for the duration of the agreement; however the City may decide to contribute following a funding review process.

Work orders for FY 2018 to date for the Skatepark total approximately \$10,584.00. Expenses are related to rain garden maintenance, port-a-potty rentals, grouting and cement repairs, and landscaping work. The amount also includes the cost of graffiti removal that was necessary after the park was defaced with hate graffiti last summer. Staff recommends that the City cover these expenses as it is able to be absorbed within the overall annual parks operating budget for FY2018.

The Friends have approximately \$104,000.00 in the skatepark maintenance endowment fund for future maintenance needs and repairs. Staff believes it to be prudent to cover costs for this current fiscal year thereby allowing the endowment fund to further grow and be available for future needs and more expensive capital maintenance repairs down the road.
