Subject: The Plan: A Reasonable Route to Growth and Affordability

Hello Fellow Citizens!

Just a thought: let's prioritize increased housing on the main arteries like Stadium, Plymouth, Washtenaw, State and Packard. There's plenty of underutilized land, easy bus access, a high-rise appropriate vibe, and loads of amenities.

Let's not wreck the neighborhoods by opening them to greedy, unscrupulous developers.

Cool?

John
Needham Rd.
Ann Arbor
