Members of the Board of Appeals:

I am writing in response to a postal announcement that was received from Ann Arbor Planning Services. My family and I live at 2037 Geddes Avenue and are direct neighbors of Alice Chi and Alejandro Mendoza at 1 Harvard Place. We have reviewed the drawings for their proposed addition and we are very pleased to support their planned home renovation. Specifically, we have no objection to the project or its encroachment on the rear setback of the property line at 1 Harvard Place. We agree with Dr. Chi and Mr. Mendoza that approving the variance would best balance privacy between 1 Harvard Place, 3 Harvard Place and our home, in addition to maintaining the character and aesthetics of the neighborhood.

Sincerely,

A handwritten signature in blue ink that reads "Parag G. Patil MD PhD". The signature is written in a cursive style with the first letters of the first and last names being capitalized and prominent.
