**Subject:** 1289 Jewitt Ave special exception use

Dear Planning Commission,

It is a pleasure to hear that Clonlara School could be home to the Community Music School of Ann Arbor.

Clonlara's educational mission is one that should be supported by any community that treasures its children. This proposed use is fully consistent with their mission and is an appropriate use of their facilities.

Clonlara has always been an excellent neighbor and I fully support the special exemption use that is being proposed.

Please feel free to contact me if you have any questions.

Sincerely,

Lorene Sterner

1318 Rosewood Street
