Subject: Please send the Comprehensive Land Use Plan to Council for approval

Hello Planning Commissioners and Staff,

This long process is nearing its conclusion. Thank you for your demonstrated commitment to listening to the public and designing a plan that will guide development in Ann Arbor for the next 25 years.

I encourage you to pass the Plan and send it to Council during this meeting. We have waited a long time for zoning reform that would allow a wider variety of housing options. For me personally, I have parents and in-laws who I will need to care for in the coming years. I would like to see rezoning accomplished quickly enough that there are more options within the City before my relatives are dead.

Thank you again,
Greg Matthews
