Subject: Support for Comprehensive Plan that emphasizes density and transit

Dear Ann Arbor City Council,

I am a resident of Ann Arbor and wanted to quickly voice my support for a Comprehensive Plan that fosters higher density and improved public transit. My family lives near Buhr Park southeast of downtown and we often talk about the limited amenities we have in our area. A greater propensity of mixed use development with shops and restaurants near us would vastly improve our quality of life, and we would also love a quicker way to get into downtown that wouldn't involve driving.

Thank you for your hard work on developing this plan, and please know that just because some loud voices are against development, that doesn't represent the views of all (nor the majority of) AA residents.

Best,
Joe Kochmanski
