Subject: Mike and Melissa Schmidt variance 3050 Lakeview Dr

Mike and Melissa and their two children are my neighbors. You could not find better. They are friendly and helpful to all of us and we applaud Melissa's work in the nearby elementary school.

I want them to stay close as my neighbors and understand their need to expand their house to accommodate their family. We are a mixed neighborhood of ages and culture which makes it very special indeed. There are no issues for me related to their building plans. Please approve them as I would hate to lose this wonderful family.

Sincerely,

Diane Coady
