CITY OF ANN ARBOR  
CITY CLERK  
REC'D

TO: Ann Arbor Mayor and City Council

FROM: Concerned Ann Arbor Retailers

We, the undersigned store owners, managers and employees that sell tobacco products in the city of Ann Arbor, Michigan, oppose the proposal to prohibit the sale of tobacco products to individuals under the age of 21.

We should be allowed to offer legal tobacco products to our adult customers. Raising the legal age to purchase tobacco products to 21 is unnecessary given efforts by responsible retailers to prevent underage age individuals from buying tobacco products. The majority of individuals under age 18 obtain tobacco products from "social sources" and not from law-abiding retailers.

Overall the proposed ordinance unfairly restricts our ability as retailers to compete against businesses in neighboring communities that do not have an age 21 law. We ask you to consider the personal liberties of all adult citizens of Ann Arbor and the right of retailers to sell legal products by voting against the age 21 ordinance.
