Dear Zoning Board,

My family and I live at 1465 Harpst Street, across from 1448 Harpst Street. We are writing in **support** of the request for the zoning variance in order to construct a porch in front of 1448 Harpst. We've seen the drawings of the proposed construction, and have seen Meadowlark construction's responsible work, when they worked on 1455 Harpst Street. The plans look perfectly appropriate for our neighborhood, and we are glad to support it.

Best,  
David and Lark Speyer
