

## Homework and Study Guide

To effectively prepare for the September 2024 Transportation Commission meeting, please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

---

## Public Communication

The following communications to the Transportation Commission email account have been received over the course of the past month (as of 9/13/24):

- Bike paths
- Commuter train during high traffic events
- Pauline reconfiguration
  - Concerns about the proposed Pauline reconfiguration
  - Pauline bike lanes
  - Pauline project concerns
  - WEMU 89.1-FM interview request
- Safety concerns for pedestrians on sidewalks
  - Safety concerns for pedestrians on sidewalks
  - Pedestrian safety
  - Safety for pedestrians from bicycles and electric scooters
- Pedestrian signal for bike use
- State Street bike lanes and trash bins

## Vision Zero Plan Progress Report

Staff presents annual update on crash data evaluation to the Transportation Commission. This update is part of the strategies recommended by the Vision Zero Comprehensive Transportation Plan. This year's update is jointly presented by AAPD (Ann Arbor Police Department) and Engineering. A new metric 'Crash Investigation Callout' is introduced in crash data evaluation. Toward the end of the presentation, staff outlines 'next steps' and candidate topics for future Commission discussion and guidance.
