MEMORANDUM

TO: Milton Dohoney Jr., City Administrator
Atleen Kaur, City Attorney

FROM: Mike Kennedy, Fire Chief

DATE: March 3, 2026

SUBJECT: Michigan Mutual Aid Box Alarm System Association Agreement

The Michigan Mutual Aid Box Alarm System Association Agreement was amended in 2016. After a recent audit, it was identified that the City of Ann Arbor had not officially adopted the amended agreement and was requested to do so. The main substantive change to the amended agreement is in Section Eight – Compensation. The 2013 version was silent on the MI-MABAS Special Operations Teams reimbursement. The 2016 version states that a response by said team may require full and complete reimbursement for all expenses. Thank you
