To Ann Arbor Zoning Board of Appeals:

We are immediate neighbors of Dan Murphy and Meredith Reisfield of 217 W. Madison St and are writing to you in support of their planned renovations. We are aware of their plans and we feel the modifications will still maintain the qualities that the Old West Side attempts to preserve and increase the functionality of the house. Dan and Meredith are conscientious owners maintaining their property well and value the Old West Side character. We hope that their plans are able to be approved.

Thank you,

R. Jeffrey and Beth Benko
