To whom it my concern:

I'm a property owner within the 100 foot limit of proposed property i.e. 2857 packard road...7.7 acres that is being rezoned to a R1E (single -family dwelling district-With conditions). I would like to have it noted that I'm against such a move to rezone this property because of the following....

- 1) Too close to my back yard...
- 2) More noise & light pollution to the area...
- 3) No access to the buhr park except thru property owners yards or go around packard street...
- 4) Loss of privacy of present residents in the area...via...back yard areas, etc...
- 5) Houses are set too close together when built on this property ...thus bringing the property values down for those who live in the area for many years...
- 6) Problems with traffic to & from Packard unless a traffic light is installed on packard..
- 7) Etc...

So you can see the problems we'll have if this rezoning goes forward....

Sincerely Concerned....John & Sharan Bosio
