Tiffany,

I'm going to tender my resignation from the Dean Fund Advisory Committee effective immediately.

A friend of mine, from teaching, is back in Ann Arbor. He is turning 90 this year. He and I are going to partner in a golf league that plays Tuesday mornings. I played in that league prior to, what I thought, was a six year commitment to the Dean Fund. Now with this 90 year old friend needing a partner I'm going back.

I enjoyed working with you and know you will continue your excellent work.

Ken

Greetings,

Several committee members are not able to attend the meeting next week. After discussing with Don, we've decided to cancel this month's meeting. There was nothing on the docket that required voting, so everything else can wait until June's meeting.

Item's of note:

- The Jackson Road Median tree planting is complete. The trees look great!
- The Riverside Park trees should be planted next week. We'll be staking the planting locations later this week.
- The first Public Meeting for the Urban Forest Management Plan is scheduled for Thursday, May 19 from 7-8:30 PM. Anyone from the community is welcome to join. Please feel free to attend and get an update on what we've done since our first plan was adopted and give your thoughts on what should be prioritized in the plan update.

Feel free to reach out if you have any questions or concerns. I hope you all have a great rest of your month!

Respectfully,

**Tiffany Giacobazzi**, Urban Forestry & Natural Resources Planning Coordinator
