Subject: Support for 700 North Main Development

Dear Amie,

I was hoping to attend tonight's meeting, but because I won't be able to make it, I wanted to reach out instead via email and express my support for this development.

My family lives three blocks from 700 N. Main. We welcome more neighbors to our area, who we believe will add vibrancy the community and help support local businesses in Kerrytown. We also welcome developments that replace vacant lots with urban uses, which makes a neighborhood more pedestrian friendly. I applaud that you are planning to build underground parking and believe there is a need for more rental units in this part of Ann Arbor, where we've seen mostly condo development in recent years.

Please let me know if there's any way I can support this development as it moves forward.

Thank you,

Daniel Rosenbaum
