Hello, Friends,

Now that it's warmer (well, sort of?) I've been able to get back on my bike throughout the city, and last week, I biked the Miller Avenue protected bike lane for the first time. It's so lovely, and I wanted to thank you for all your work in making that project happen. It's a great addition to our city, and I'm grateful for the many ways the City of Ann Arbor promotes cycling.

Thank you!
Renee Roederer
