Subject: 1103 West Madison Variance Request

Hi Jon,

Good morning. This message is in reference to the outstanding variance request for 1103 West Madison by the Dobson family.

I would like to share my full approval of their renovation plans, which will allow them to be better positioned to engage with the community that we have on Madison Pl./West Madison St. In fact, we have a monthly "front porch Friday" that allows those who live on our two streetg to come together to share space, food, and stories. The Dobson's remodel is in line with the values of such an event and will provide us all with another gathering space to connect with our shared community.

I cannot see any downside to the request and hope that you approve the variance at your earliest opportunity.

Regards,

Zach Tobin
