Dear Resident,

Thank you for your inquiry regarding possible resurfacing of Platt Road between Packard and Huron Parkway. Please be advised there is a water main replacement and resurfacing project planned for construction this year. I trust that addresses your question. I have copied my colleagues in Engineering and Transportation so they are aware of your interest in this corridor. If you have any additional questions please contact me via email reply.

Respectfully provided,

**Eli Cooper, A.I.C.P.**

WHEN!!!! It's been in incredibly horrible shape for years. I keep checking to see on line when it will be scheduled.

I want to know what year to expect this long overdue project to happen.
