Hi all,

Not sure if the rest of you just got a text from "ProtectAnn ArborRenters.com". They are really the realtors association. The text addressed me as a renter and asked that I sign a form letter to send to city council to object to the Green Rental Ordinance.

I haven't yet. But maybe it's because my area code is from out of state? I know they've been doing targeted social media ads. Gayle, are they allowed to obtain phone numbers and text? It looks like a political advocacy/member organization. The Greater Metropolitan Area Realtors' site mentions a Realtor PAC under their FAQs. Is it the same thing?
