Subject: Crosswalk Repair 1000 E. Oakbrook

Hello,

We were told last year by Adam Ajar with City Engineering, that the crosswalk at 1000 E. Oakbrook would be replaced entirely. He said the work would be done by the resurfacing group this summer and that in the meantime, potholes in the crosswalk would be filled in. That didn't happen and we have not heard anything about when the crosswalk would be replaced. Could you please help me with this?

Thank You,

Katie Landeta
