Dear Planning Commissioners and City Staff,

I am writing in regard to Case #ZBA21-030, a request by Peter and Pat Jessup to alter their home at 3094 Lakewood.

My husband Lawrence Dolph and I live at 3110 Lakewood Drive, next door to the Jessups.

Peter and Pat are thoughtfully and meticulously planning an addition to their house to include a first floor bedroom and bath that will enable aging in place while protecting landmark trees and preserving the character of their lovely home. We have a very clear understanding of the scope of the project and we are fully in support of the plan to enhance their home in this way.

Sincerely,
Lynn Nybell
