I whole heartedly object to the TRANSIENT STUDENT HOUSING proposed off Pontiac Trail.

It seems that the Northside of AA is the dumping ground for huge undesirable housing units to be built. Certainly the proposed development will do nothing to enhance the life of Northside Ann Arbor area residents and will only add to the traffic on Pontiac. This is worse than Arrowwood which was dumped on Northsiders years ago. At least Arrowwood has families and not a lot of unsupervised youngsters.

Who is profiting from this endeavor? Who "greased the skids" that allowed this project to be okayed??
