To the Ann Arbor Zoning Board of Appeals:

I, Carole Segall, the neighbor of Alice Chi and Alejandro Mendoza, at 1 Harvard Place, would like to express my support for their proposed home renovation. I have no objection to the project or its encroachment on the rear setback of the property line at 1 Harvard Place. Approving the variance would best balance the privacy between 1 Harvard Place, 3 Harvard Place and 2037 Geddes Avenue. Thank you very much for your consideration
