Subject: Keep the CLUP Progressing
Date: Sunday, August 17, 2025 8:18:58 PM

Hello Planning Commission members,

I am a renter in Ann Arbor living at 605 Hidden Valley Club Dr. Increasing housing abundance in Ann Arbor is essential for maintaining the vibrancy of this city, especially to avoid pricing out young people and families. Please continue moving the CLUP forward, and do not add categories that restrict new housing. Please default to the Transition designation instead!

Sincerely,
[James M. Zumel Dumlao](#)
