Subject: Please consider CIP TR-OT-16-01 for FY15/16 budget

Dear Ann Arbor Planning Commission,

I'm writing to request that you budget for earlier improvements on 7th Street. I've lived on North 7th for two years, and have witnessed drivers speeding daily, causing unneeded risk in a residential neighborhood with many children, and a popular park.

CIP TR-OT-16-01 (Near Term 7th St Transportation Improvements) is earmarked in 2018 for only \$200K. This appears to be the IMMEDIATE fixes we requested from the City (reduced speed limit signage, ped crossings, and restripe narrower lanes).

Four years is too long to wait to implement these important changes on our dangerous street. Please consider in the FY15/16 budget.

Sincerely,
Emma Wendt
