# Priorities for Future Greenbelt Investments

## Worksheet

Think about the value of the Greenbelt for you personally and for the greater Ann Arbor area. If you had 10 points to spend across the following priority areas, how would you allocate those 10 points?

\_\_\_\_\_ **1,000-acre Blocks:** Focus on forming 1000+ acre blocks of protected farms to insure the long-term viability of agriculture for future producers.

\_\_\_\_\_ **Farmland Complexes:** Focus on 5 areas within the Greenbelt District for farmland preservation where there is the greatest chance of protecting high quality farms.

\_\_\_\_\_ **Local Food and New Farmers:** Focus on protecting those farms that are producing foods for Ann Arbor markets and consumers.

\_\_\_\_\_ **Huron River:** Focus on protecting the Huron River, which serves as the source of drinking water for Ann Arbor.

\_\_\_\_\_ **Viewsheds:** Focus on protecting lands that provide scenic views, and visibility from major corridors frequently traveled by Ann Arbor residents.

\_\_\_\_\_ **Recreation and Accessibility:** Focus on partnerships to provide additional public recreation opportunities.

\_\_\_\_\_ **Other:** \_\_\_\_\_

\_\_\_\_\_ **Other:** \_\_\_\_\_

\_\_\_\_\_ **Other:** \_\_\_\_\_
