RE: 1302 Prescott - ZBA review

City of Ann Arbor  
Zoning Board of Appeals  
Dear Board Members,

We are in favor of the proposed 2 story addition & renovation of the house at 1302 Prescott. It is our opinion that this project will improve both the aesthetics and property values of our neighborhood. Please approve the setback variance to permit the 2<sup>nd</sup> floor addition. Please feel free to contact me directly with any questions.

Thank you,  
Michael Todd
