Subject: Support for Upzoning in LoBuPa Master Plan

Hi Planning Commission!

As a lifelong resident of of the Burns Park neighborhood, and a new resident of Iroquois Pl in the LoBuPa area, I'm writing to express my enthusiastic support for allowing additional housing units on existing single family lots. Ann Arbor is in desperate need of additional housing, and modest upzoning of existing single-family parcels is a reasonable and appropriate way to fit additional housing in a way that is compatible with current land uses.
