Melissa and Daniel Adams are requesting relief from Section 5.32.2 Alteration to a Nonconforming Structure to construct a second story dormer addition that does not meet the required average front setback. The new dormer will create additional living space on the second floor. The property is zoned R2A, Two-Family District. The residence is nonconforming on the Brookridge Street side of the property.

By my signature below, I represent that I support the ZBA granting this request for relief.
