

**Market Manager Report**  
*Presented February 15, 2018*

Operations

- Parking meters will be covered on Detroit St to allow vendors to park there on days when the temperature is below 15 degrees, to prevent product from freezing
- Food Truck Rally applications available on the website February 1<sup>st</sup>. This year we will have an emphasis on Zero Waste. The July 4<sup>th</sup> Rally is rescheduled for July 11.
- Conferences: Michigan Farmers Market Association, March 6 and 7. Local Food Summit, February 19.
- Still on track to complete this winter/spring: replacement lighting, storm sewer drains repaired, parking lot repaved, ceilings powerwashed, gutters repaired or replaced. Will be charging for damage to gutters.

Outreach

- Letters to schools and senior centers regarding day trips to the market. Place on website to register.
- Edible Wow will be doing an article on us for the spring issue
