

SOURCEWELL CONTRACT: #092222-CMM

Sourcewell, formerly NJPA, is a national public service agency committed to providing cooperative purchasing solutions that assist Government and Education agencies. Sourcewell members now have exclusive access to Cummins generators, switchgear and ATS units all backed by an unrivaled service network.

The Sourcewell Advantage

- Satisfy the competitive RFP process, save time & money on individual bids
- Effectively avoid low-bid, low-quality awards
- Receive national volume prices on equipment from providers you trust
- Work directly with your local Cummins Rep

The Cummins Advantage

- 24/7 emergency service at over 200 full service locations across North America
- 3,200 factory certified technicians
- 200 national technical support engineers
