FROM: Hank Kelley, Deputy Planning Manager
DATE: October 17, 2023
SUBJECT: City Planning Commission Work Program Update

PROPOSED CITY PLANNING COMMISSION MOTION

The Ann Arbor City Planning Commission hereby adopts the 2023-2024 City Planning Commission Work Program.

The work program is adopted on an annual basis pursuant to the Commission’s Bylaws. On May 17, 2022, the Planning Commission reviewed and adopted a [2022-2023 Work Program](#). The Commission discussed an update to this document on October 18, 2022. At the July 24, 2023 Ordinance Revisions Committee (ORC), an updated work program was presented which reflected the October discussions, included subsequent status updates and identified work which should be channeled through the Comprehensive Plan process. Additionally, the ORC draft attempted to better match level of effort with available staff resources to produce a more achievable program.

The Planning Commission can determine to do the following:

- Continue under the previously adopted plan from May 2022.
- Adopt the updated work program discussed with the ORC.
- Propose further amendments for future presentation/review.
