Dear Jaqueline;

Please find enclosed the 2008 Tax Rate Request (L-4029) for the Washtenaw Intermediate School District (WISD).

As you can see in columns 10 and 11, the winter tax collection rate for WISD is not the same for each municipality. Obviously, the winter rate will depend on the rate assessed in the summer. However, there are only two alternatives regarding the Washtenaw Intermediate School District's winter tax levy:

- 1) If you collected 100% of our levy in the summer, then we do not intend to collect a winter tax. In this situation, we should have collected our full levy in the summer.
- 2) If you did not collect a summer tax, then we intend to collect on a 100% tax levy in the winter.

For those of you with multiple school districts, you may have the situation where you are collecting 100% of our tax in the winter on some parcels and no tax on others.

If you have any questions or need any additional information, please feel free to contact me at (734) 994-8100, extension 1402.

Sincerely,

Brian Marcel, Assistant Superintendent
