Dear Zoning Board staff,

Our property is next door to the house at 1817 Abbott that is being reviewed for a variance at your Wed., June 28th meeting. We fully support this variance requested by Cherie Donze and the property owners. The owners have explained the project to us and we have no objections to their request. We hope that you will approve this request so that they can improve their home and stay in our neighborhood as we considered them to be excellent neighbors.

Thank you,  
Lisa Hirsch & Tom McDonough
