**Subject:** Support for 2201 Lafayette

Dear ZBA staff and Board Members,

We live at 2203 Lafayette Rd, the lot immediately adjacent to 2201 Lafayette Rd.

We support their variance for the existing 10' × 20' open pergola. It has not affected our light, air, privacy, or views, and it's behind a fence.

We agree that a current requirement of moving the pergola 7ft would be unusually burdensome and likely not possible given the size of the sideyard.

Thank you,

Sanjay and Veronica Saint
