Dear Mr. Schnepf:

Thank you for submitting the City of Ann Arbor Hazard Mitigation Plan for our review. The plan was reviewed based on the local plan criteria contained in 44 CFR Part 201, as authorized by the Disaster Mitigation Act of 2000. The City of Ann Arbor met the required criteria for a single-jurisdiction hazard mitigation plan. Formal approval of this plan is contingent upon the adoption of the plan by the jurisdiction. Once FEMA Region V receives documentation of adoption we will send a letter of official approval to your office.

We look forward to receiving the adoption documentation and completing the approval process for the City of Ann Arbor Hazard Mitigation Plan.

If you or the community has any questions, please contact Christine Meissner at (312) 408-4460 or christine.meissner@fema.dhs.gov.

Sincerely,
