I fully support the resolution. To the fullest extent of the law, the City should not cooperate with DHS agencies who are breaking the law and committing cruel acts against and murder of US citizens. We must hold together as a community to assure each member of our community, regardless of their status, receives their constitutional protections.

It is of vital importance that you educate the public about this. If we stand together as a city, social media and engaged citizenry will be the first to notify AAPD about the presence of ICE. I trust you to put the word out. Thank you for your time.

I support the strongest possible measures to keep ICE out of city properties and programs! Thanks to all who worked on this resolution.
