Subject: Support Commissioner Adams zoning proposal

Dear Planning Commission,

Thank you again for all your work on the comprehensive plan. I'm excited to see you move to the next step of zoning responsive to the plan! Commissioner Adams' proposal shows the leadership that the Planning Commission must continue as we try to respond the housing crisis. The proposal gives staff instructions and it prioritizes the key areas where we can get the most new housing. Please support Commissioner Adams' proposal.

The staff recommendation lacks vision and urgency. Sure, I'd like denser housing in my neighborhood (our ADU will be ready fo someone to live in soon!) but the residential neighborhoods are not where we're going to see the immediate building of mass housing.

Thanks,
Bennett
