BUSINESS

Pioneer High School Planting - Richard Wieland

Exact siting has not been finalized yet. Details will be determined by the applicant and city staff.

Because the students will assist with the planting, Margolis will not install the trees but will deliver them to Pioneer High School. The resulting price decrease compared to contract bid pricing necessitates a change order.

Member Nybell motioned to approve up to \$2,000 for the planting of

five trees on the right-of-way around Pioneer High School. Member Curtis seconded. The motion passed unanimously.
