

Homework and Study Guide

To effectively prepare for the November 2024 Transportation Commission meeting, please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

Vision Zero Tiered Methodology Update

As part of the ‘next steps’ in the Vision Zero update to the commission in September 2024, staff worked on the transportation plan methodology for Tier 1 and Tier 2 intersections and corridors. This presentation includes the results of this work.
