City Council Transportation Issues

At the February Transportation Commission meeting, Councilmember Briggs encouraged the Commission to provide suggestions on transportation issues that could be brought before City Council for their consideration. The Transportation Commission is encouraged to review the Policy Agenda Recommendations approved by the Transportation Commission in January **and identify their top 3 issue areas** as this will help facilitate the discussion:

Proposed action: Recommend the top three transportation issues for City Council consideration.

FY 2023 Budget Presentation and Discussion

Staff will provide a brief overview of the FY23 budget and transportation items, specifically. The Transportation Commission will have the opportunity to review and ask questions regarding the transportation elements of the FY23 Proposed Budget. Please review the presentation in the packet and be prepared with your questions.

Vision Zero Implementation Committee

Materials from the February 23rd Vision Zero Implementation Committee meeting can be found on the project website: www.a2gov.org/visionzero. Commissioners can see the initial slate of ‘quick build’ recommendations in the presentation (https://www.a2gov.org/departments/engineering/Documents/A2%20Implementation_VZIC_Meeting%201%20Presentation_20220208.pdf) starting on slide 30. Staff will review these recommendations and get feedback from the Transportation Commission
