**Subject:** 2201 Lafayette request for variance

Dear ZBA staff and Board Members,

We live at 2205 Lafayette Rd, and we are one of the immediate neighbors to 2201 Lafayette Rd.

We support their variance for the existing 10' × 20' open pergola. It has not affected our light, air, privacy, or views, and it's behind a fence.

We agree that a current requirement of moving the pergola 7ft would be unusually burdensome and likely not possible given the size of the sideyard.

Thank you,

Matthew Wixson
